FOREWORD

The purpose of this catalog is to introduce you to Hargrave Military Academy; to show you by word and picture what the school is doing for boys under its care.

Hargrave Military Academy is a member of the Southern Association of Colleges and Secondary Schools, which is the highest standardizing agency for approved Southern schools. Our graduates are admitted to colleges and universities on certificate without examinations and on the same basis as graduates from other preparatory schools of the first rank.

The history of Hargrave Military Academy, a Baptist preparatory school, verifies its slogan, "Making Men—Not Money."

Through the united efforts of Rev. T. Ryland Sanford, then pastor of the Chatham Baptist Church, and his loyal and consecrated friend, J. Hunt Hargrave, Chatham Training School was organized in 1909. In 1925 the name was changed to Hargrave Military Academy.

PHILOSOPHY

The secondary school in America exists to aid and to promote in its students the development of those powers, skills, attitudes, and ideals which will enable them to become progressively useful as citizens in the school community, to the end that they may become useful and honorable citizens in a democratic, social, and political order. Its program must, therefore, be so organized and administered as to assist and encourage the individual pupil to acquire, to the extent of his native endowments, knowledge and experiences that will assure, so far as may be, a personal responsibility for the realization of a well-rounded life in his relationship to society. In scope, the program should embrace the mental, moral, physical, social, cultural, and spiritual phases of man's existence.

Hargrave Military Academy, founded by a group of consecrated Christian leaders, and developed under the ownership and general control of the Baptist Board of Missions and Education, believes that it is obligated not only to provide for the mental, moral, and physical development of its matriculates, but also to give the spiritual and religious aspects of life a definite place in its program. A proper attitude toward and relationship with the Supreme Being, developed in a non-sectarian atmosphere, with tolerance and good will toward all, are essential to the building of Christian character and leadership. The motto, "Making Men—Not Money," with all that it implies, sums up the philosophy of the school.

The student body of Hargrave Military Academy, which is composed of boys from many social environments, home conditions, and educational backgrounds, may be divided into two main groups: (1) those who enroll for the specific purpose of preparing for higher education; and (2) those who have failed to fit into the educational program of their home communities. It is the duty of the school to provide a program suited to the needs of these distinct groups.

OBJECTIVES

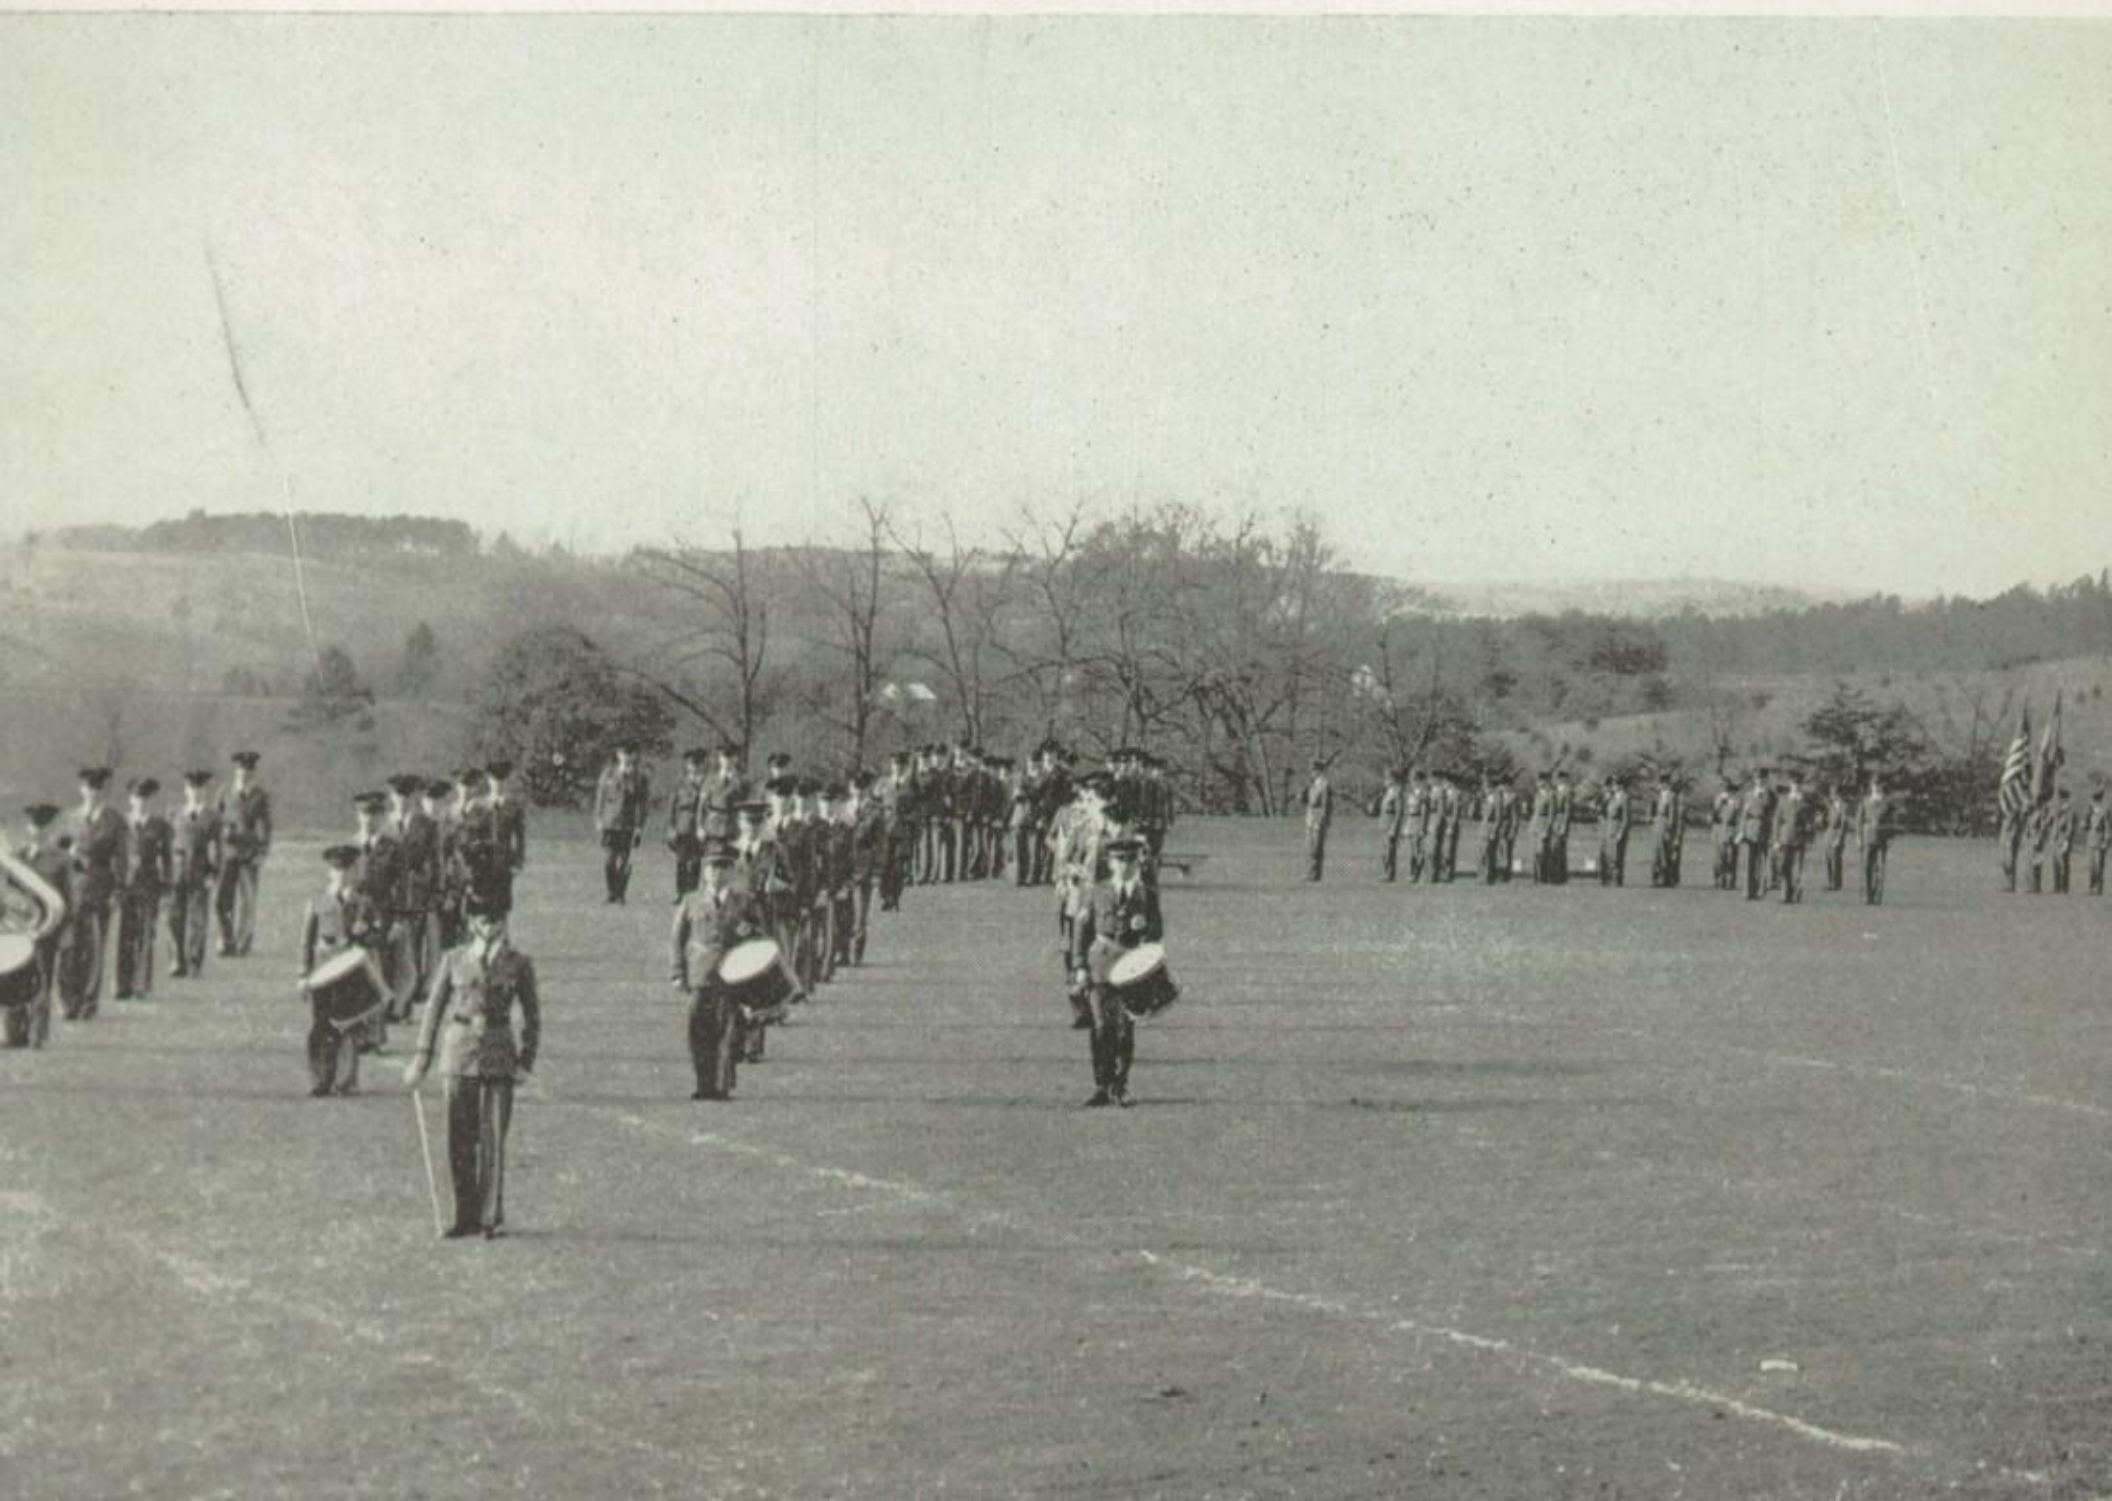

Specifically these objectives may be stated as:

1. To provide a corps of teachers trained to lead in academic and extra curricular explorations, interests and activities calculated to help the student discover his aptitudes and decide what he will do with his life.
2. To maintain a pleasant, homelike atmosphere with proper care for the comfort, diet and general happiness of the student body.
3. To provide, in so far as possible, individual attention both from the educational and personal points of view.
4. To maintain a Military Training program emphasizing physical exercise and the development of such traits as punctuality, obedience, orderliness, respect for constituted authority, reverence for our Flag and National Institutions, a sense of personal responsibility, self-reliance, and leadership, as well as the building of strong, graceful bodies.
5. To provide a sports program which seeks to afford adequate physical training, to promote and develop a true conception and practice of sportsmanship, and to create a spirit of loyalty and cooperation.
6. To provide for faculty-sponsored activities, initiated by the students, and developed in accordance with their recreational, cultural and avocational interests.
7. To maintain a wholesome environment, stress character building and spiritual development both by precept and example.
8. To develop the adolescent youth into a well-rounded being, ready and willing to take his place in society, whatever that place may be.

COUNSEL AND GUIDANCE

During the school year frequent individual and group conferences are held with the President. Our Guidance Program is directed by the President and the entire faculty. Each student is assigned a faculty advisor to whom he may carry his problems. With the aid of mental and aptitude tests, the guidance committee seeks not only to direct in the academic field but endeavors to advise and stimulate each individual in his leisure activities.

Hargrave

"Small Christian Schools are the hope of America. Character is essential to statesmanship, and these schools are vital factors in the development of sterling character."

THE CADET CODE OF HONOR

"A cadet of Hargrave Military Academy is a true gentleman. He stands for the highest ideals of life. He loves peace and deploras war, but is always ready to defend his country in its hour of need. He respects authority. He obeys the law. He cultivates filial love, and strives earnestly to be a credit to his father and mother. He honors the Supreme Being in thought, word, and deed."

Library

MISS GEORGIA MAY CREWS
Librarian
B.A., University of Richmond
B. S. in L. S. University
of North Carolina

The Academy Library, conveniently located on the first floor and in the north wing of the main building, is readily accessible to classrooms and dormitories. This bright and spacious reading room provides for cadets and faculty a pleasant center for recreational reading, reference work, and study during the morning, afternoon and evening hours. The collection of 2724 volumes includes standard and up-to-date reference and recreational reading in both fiction and non-fiction. A large selection of current magazines and newspapers is one of the most popular features of the Library.

Cadets are encouraged in their individual reading interests, and with guidance are led to improve their tastes for good literature, and to develop an appreciation of the values and pleasures of good reading. A course in "Library Science" is offered as part of the English program, and is required of all students scheduled for library attendance. Students who have reading problems are advised to participate in the Remedial Reading work, a course designed to correct weaknesses and improve skills in reading.

The telebinocular with the Keystone Visual Survey Tests is used in the Reading Clinic for the purpose of screening-out students with visual difficulties. In cases where difficulty is indicated treatment or examination by an eye specialist is advised.

The tachistoscope, a flash-device, is used for developing visual skills in poor readers. Training in accurate and speedy recognition of words and phrases enables students to read with greater speed and comprehension.

The problem of reading difficulties is recognized as a major cause of failures among secondary school students. To meet this situation the Academy has organized and equipped a department of Remedial Reading which (1) administers a testing program for the purpose of locating and diagnosing the reading problems of students and (2) providing instruction and training in the reading skills. Group instruction is offered in the Reading and English classes, and in special classes organized for remedial training. In cases of extreme difficulty individual instruction is recommended.

MISS DEBORAH PATTERSON
Dietitian

Dietetics

The school tables are furnished with an abundance of well-cooked food. The best grade of goods available is purchased and used. We do not attempt to furnish the delicacies and nick-nacks that are found in many homes. Dietitians aver that a good wholesome diet, though perhaps not as pleasing to the boy's appetite as the niceties, is far better for the proper development of a growing boy. To observe the development of a lad while a student here is sufficient proof that he receives the proper nourishment.

The faculty, their families, and students are served at the same tables and with the same food. This, in addition to assuring the patrons that their sons are properly fed, helps to develop that intimate relationship between faculty and students, which has ever been the policy of the management of Hargrave Military Academy.

Health

In selecting a school, parents always think of the location, climate, etc. They want the health of their sons to be carefully safeguarded. Chatham has an excellent health record. The climate is temperate, winters are moderately cold, and there are not many days in which a boy cannot take some form of outdoor exercise.

It would be difficult to find a school with a better health record. This record is due largely to our climate, pure air and water, excellent sanitary provisions, regular habits, wholesome diet, and the careful supervision of the cadets. Cadets are urged to report immediately any indisposition to the school nurse or physician.

The medical fee insures adequate nursing in minor sickness, usual remedies and medicines, and physician's services. In case of extreme illness, when trained nurses are needed, or expensive antitoxins are necessary, the parents or guardians bear the expenses. These are exceptions and rarely occur.

In case of serious illness parents will be notified immediately.

CLASS HISTORY

Spring again, and we, the senior class, stand ready to accept the reward that crowns the glory of a mission completed. Since we assembled here four years ago to form the freshman class of '44, we have employed our every effort to attain the traditional standards that define the Hargrave man and direct his course to the ultimate goal, which we shall soon embrace.

The early days of our Freshman year were accompanied by the general confusion of new ideas, new environment, and new responsibilities. The assignments were difficult, the drilling awkward, the "rat" rules exacting, but we "toughed it out" and came to the year's end cheered by the flattering "unction" that we had advanced into the active life of the Academy.

The Sophomore year opened new vistas and brought a growing recognition in student activities. In the military organization, in the extra-curricular activities, and in scholastic endeavor, we contributed our generous measure and approached the junior year proud of our standings, eager to face the problems of the upward trend.

Then came the Junior year—the vital step that would mold us into the Seniors of tomorrow. Holding key positions in every phase of cadet activity, we won our share of modest honors and meritorious conduct awards, and were well represented on the academic honor rolls.

Thus we have come to be the Seniors of today. With full awareness of the consequences of the final test, we chose our class officers, selected our class rings, accepted the duties of Senior cadets, and gave our best to merit the dignity and responsibility of our position.

Now, spring again.

As our last and most eventful year at Hargrave draws to a close, we fully discern the value of the moral, the mental, the physical, and the spiritual plan of development that characterizes the philosophy of the school. We are deeply appreciative of the patient and loyal support given us by the faculty. The character of their instruction and example will remain with us and inspire us with strength and courage as we face the problems of life. And so, with steadfastness of purpose and with confidence in the future, we go forward, resolved never to break faith with our Alma Mater.

STUDENT SENATE

The Student Senate is composed of seven cadets and a faculty adviser. This Senate, in case of suspected dishonesty in classwork, investigates, advises, and in repeated cases confers with the faculty, who again investigates and deals with the offense according to the merits of the case. The purpose of this Senate is to instill into the youth the value of truth and honesty and cause them to abhor that which is low and debasing.

Academic

Hargrave Military Academy is a preparatory school of high grade, holding membership in the Southern Association of Colleges and Secondary Schools, Virginia Preparatory Schools Association, The Association of Military Colleges and Schools of the United States, and is accredited by the Virginia State Board of Education, and by the National Bureau of Education.

The curriculum at Hargrave Military Academy is based on the standard college entrance requirements as maintained in the best colleges and universities. Graduates who merit college recommendations are admitted to colleges and universities on certificate. A cadet desiring to enter a particular college or university should plan his course of study to meet the specified entrance requirements of that institution.

In order to assure proper classification of a new cadet, an official transcript of his record from the last school attended is required. This transcript should accompany the application or follow as soon as possible.

A cadet who enters for his Senior year's work or as a Post-Graduate and meets other requirements will be granted a diploma upon the completion of four major units, one of which must be fourth year English. A "unit" represents a prescribed subject successfully studied for 36 weeks, 5 days per week, one hour per day.

Cadets are not allowed to change classes without the written permission of the Academic Dean.

COMMERCIAL DEPARTMENT

Our Commercial Department seeks to accommodate an ever-increasing demand for business training. Efficient instructors have been engaged and adequate equipment provided. This department is a business community—securing definite and lasting results in young men—training them in keen thinking and strict business methods.

METHOD OF INSTRUCTION

The principle of thoroughness is kept ever in mind. No sacrifice of this is made in the attempt to accomplish a prescribed amount of work.

At the close of recitation periods, helpful explanations of assignments for the next day are made.

The instructors are always glad to give individual assistance at vacant periods.

Frequent written tests are held to enable the instructors to keep more closely in touch with each member of his class and to help those who need it.

Parents are urged not to cause their sons to miss a single recitation, for it makes a weak place in the educational program. The idea of work being made up is preposterous. A boy may obtain sufficient knowledge to pass on certain work that he has missed in class, but his education is weakened just in proportion to his absence from class.

Each student is expected to have four one-hour recitation periods each day, and no one is allowed to have fewer than three, or more than five.

REPORTS

At the end of each month a report giving the academic standing of each student will be mailed to his parent or guardian.

PROMOTIONS

At the end of the academic year each graduate will receive a certificate of promotion specifying the courses in which he has earned a passing grade. The following grading system has been adopted: A, 95-100; B, 88-94; C, 81-87; D, 75-80; E, 65-74 (Conditional); F, 0-64 (Failure). Our passing grade is D. An average grade of C will be required for college certification.

EXAMINATIONS

Examinations are given at the end of each term, and the grades made on these are averaged with the monthly grades to get the session standing, provided no examination grade is below "E."

Tests are given each month, from which, with the daily recitation grades, the monthly grades are compiled.

TRANSCRIPTS

Every student is entitled to one official transcript of his work, provided all accounts with the school are satisfactorily arranged. Those requesting additional transcripts should enclose a dollar for this service.

MAJOR LARRY A. KINZER

Commandant

Commandant, Junior School Fork Union Military Academy, 1943-44. Commandant, Hargrave Military Academy, 1945-48.

The Commandant will have complete charge of all discipline of the Corps of Cadets. He will receive disciplinary reports against Cadets from members of the faculty and cadet officers and non-commissioned officers, will jointly with the President, Academic Dean and P. M. S. & T. appoint and reduce officers and non-commissioned officers. He will also award tours and adjudge punishment for all infractions of discipline as reported to him, and will grant all furloughs and any special permissions.

DORMITORIES

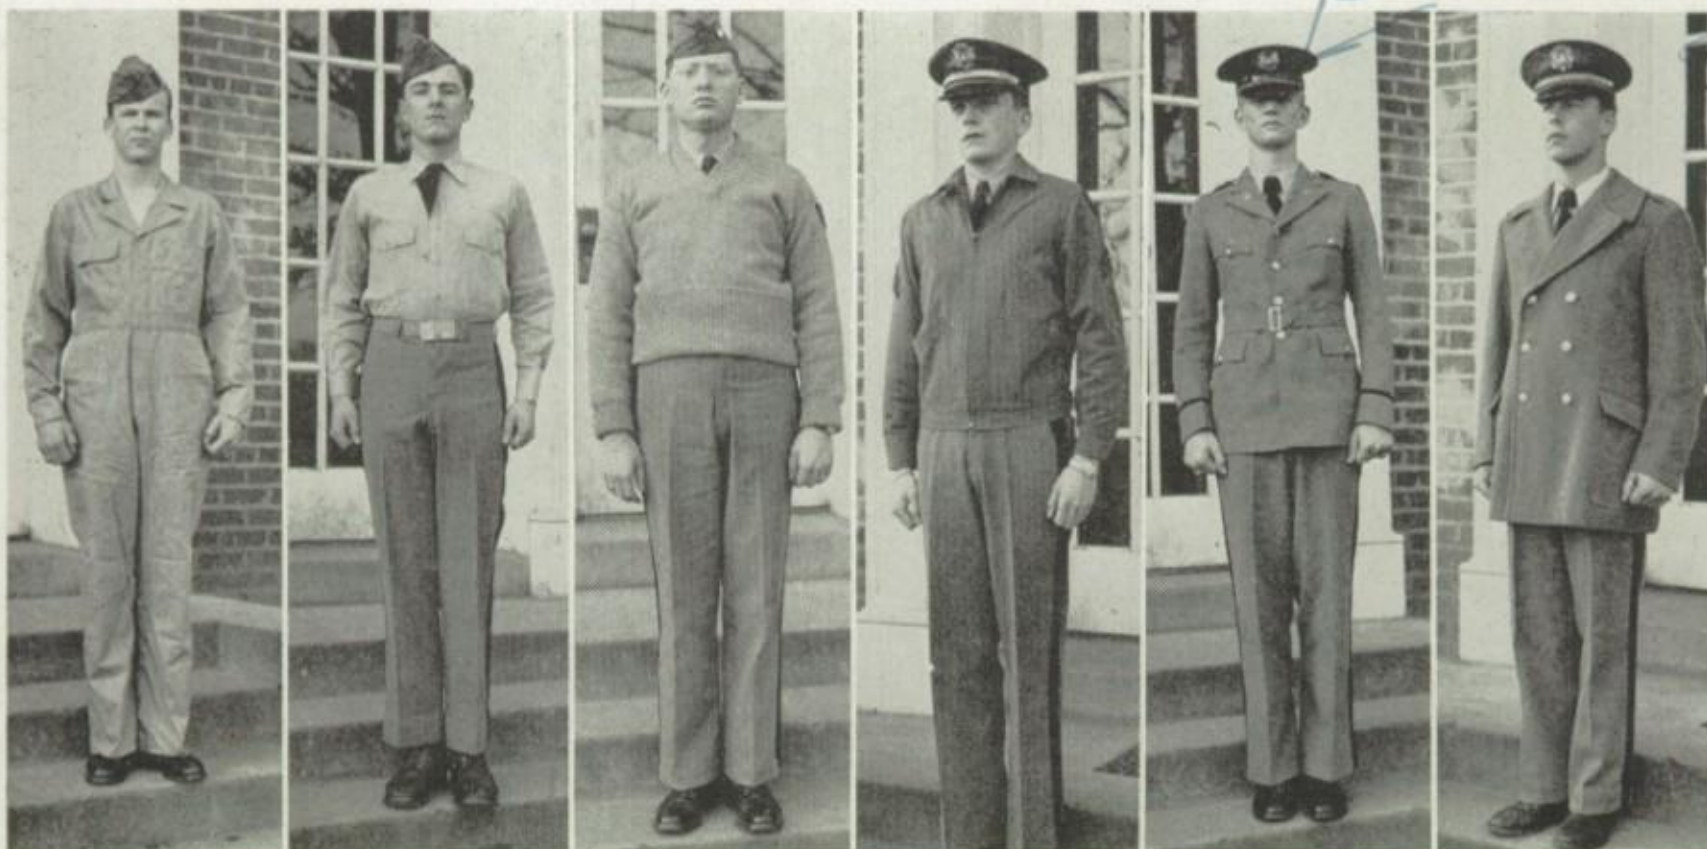

The buildings, having been remodeled within the past few years, offer pleasant homes for the faculty and student body. The second and third floors of each building are used for dormitories. A professor is located in a central place on each floor. The school furnishes each room with beds, mattresses, chiffonier, table, and chairs. All bedrooms are easily accessible to fire escapes. Toilets, showers, and lavatories are provided on each dormitory hall.

ASSIGNMENT OF ROOMS

Rooms are assigned as students matriculate. Great care is exercised in the selection of roommates. The Commandant reserves the right to use his judgment in changing students' rooms and roommates whenever he thinks best.

Is a good Guy from a pretty good state! Gordon Elly

CADET PRAYER

"O God, our Father, Thou searcher of men's hearts, help us to draw near to Thee in sincerity and truth. May our religion be filled with gladness and may our worship of Thee be natural. Strengthen and increase our admiration for honest dealing and clean thinking, and suffer not our hatred of hypocrisy and pretense ever to diminish. Encourage us in our endeavor to live above the common level of life. Make us choose the harder right instead of the easier wrong, and never to be content with a half truth when the whole can be won. Endow us with courage that is born of loyalty to all that is noble and worthy, that scorns to compromise with vice and injustice and knows no fear when truth and right are in jeopardy. Guard us against flippancy and irreverence in the sacred things of life. Grant us new ties of friendship and new opportunities of service. Kindle our hearts in fellowship with those of a cheerful countenance and soften our hearts with sympathy for those who sorrow and suffer. May we find genuine pleasure in clean and wholesome mirth and feel inherent disgust for all coarse-minded humor. Help us, in our work and in our play, to keep ourselves physically strong, mentally awake, and morally straight, that we may the better maintain the honor of the corps untarnished and unsullied and acquit ourselves like men in our effort to realize the ideal of Hargrave in doing our duty to Thee and to our country. All of which we ask in the name of the Great Friend and Master of men.—Amen."

MILITARY DEPARTMENT

INTRODUCTION

During the period of World War I in order to cooperate in every possible way with the Government, and upon the request of many loyal supporters and patrons of Hargrave Military Academy, the authorities introduced Military Training. The Academy operates under Section 55c, National Defense Act, which provides the Academy requisition of all necessary military equipment, firearms, and ammunition needed for successful operation.

Since our national laws require that every male citizen above the age of eighteen years of age must serve in the army or navy in time of war, this training is regarded as imperative. It simply means that should he be called for military service at any time during his life, he will be better prepared than the average high school student. The cadet, moreover, derives benefits from this training which are of incalculable value to him in later life.

PURPOSE OF MILITARY DEPARTMENT

The aim of Hargrave Military Academy has always been to provide a homelike school for those boys who are intrusted to its care for instruction. In our organization military training does not supercede the homelike influence. Hargrave Military Academy seeks to combine these two desirable features.

The military training imparted here is of the highest order and includes advanced and modern methods. The splendid record of the Hargrave Military Academy Cadet Corps is a matter of deep pride to all loyal supporters of the school. We strive at all times for perfection in the execution of all military duties, but our main endeavors in applying our system of military training to growing boys is to develop in them, at their most impressionable age, habits of punctuality, obedience, orderliness, respect for constituted authority, reverence for our National institutions, a sense of personal responsibility and self-reliance, and to build up strong, graceful bodies, alert minds, an erect carriage, and manly bearing.

This is accomplished without, in any way, interfering with the parental, homelike relations of the student body and the school authorities. A member of the faculty lives in each dormitory, and is always available for consultation and guidance.

It must be emphasized that there is nothing in this military training which seeks to build up a militaristic spirit in the cadet.

RULES AND REGULATIONS

Two days in the week students will be allowed to spend a part of the recreation period downtown.

Students are under the authority of the school from the beginning to the close of the session.

Prompt observance of the order of the day will be strictly observed.

Students will not be allowed to engage in any games during school or study hours.

No student will be allowed to contract debts at the stores or elsewhere without written consent of parent or guardian, and with the approval of the President.

No student permanently leaving the school, without written consent of parents or guardian, will be given an honorable dismissal.

Hazing in any form is positively forbidden.

No firearms or fireworks will be allowed in or about the building at any time.

Students are forbidden to bring their automobiles to the school for pleasure usage.

No canned heat or cooking devices are to be used in dormitories.

Students are required to care for their own rooms, keeping them in good order at all times.

Rooms must be put in order for daily inspection.

All students are required to keep themselves neatly dressed and to conduct themselves in a gentlemanly manner at all times.

During all recesses and holidays the general

rules of the school will remain in force, except upon announcement of the President.

No tacks or paste shall be used on the walls for the purpose of making picture galleries.

The reading or possession of improper literature is forbidden.

Hitch-hiking is forbidden with penalty.

Disrespect to a Faculty Officer or insolence in any form is positively forbidden. Penalty—dismissal or otherwise severe punishment, depending on circumstances.

Any cadet found guilty of drinking intoxicants, or of having such in his quarters or possession will be severely punished, frequently by dismissal.

Gambling, betting, or possession of devices used for same, is strictly forbidden. Offenders will be punished.

It is against the school rules for a cadet to join any oath-bound or secret organization.

Profane and obscene language at any time or place is forbidden with penalty.

Cheating on recitations or examinations, lying to an Officer, or other conduct unbecoming a gentleman will be severely punished.

Before matriculating, each student will be required to subscribe to the above rules of government, pledging his honor to cheerful obedience. The rules and regulations will be posted in each room, and in corridors.

The Faculty reserves the right to make and change rules and regulations at their discretion.

UNWRITTEN RULES AT HARGRAVE

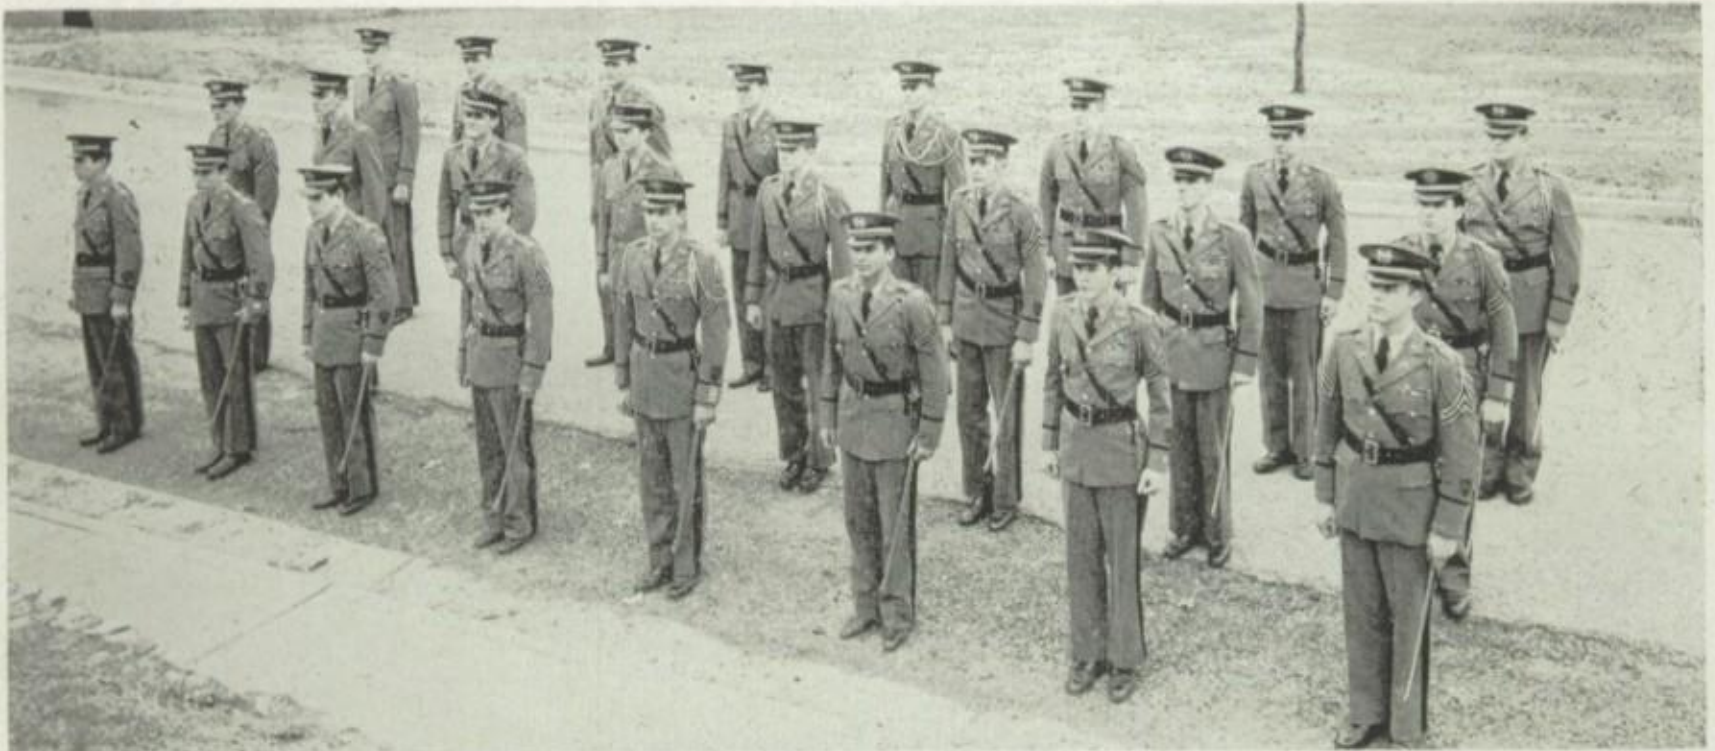

Some of the things which a cadet at H. M. A. is taught and required to do.

Be a gentleman.

Be just and fair with his associates.

Lead a clean life.

Tell the truth.

THE TALL FLAGPOLE

Oh, gaze upon yon pole so tall,
Which holds the banner loved by all.
See yon eagle perched atop the pole?
He is silver but is on a perch of gold.
Long may the banner of the free wave!
None who come unto us will we enslave.
But grant freedom to them all—
So that they may hear our country's call.
See ye those starving kindred,
Who have no place to sleep, nay, not even a
bed?
Come unto us and we will give you rest—
This country so plentiful of the best.

BOY SCOUT TROOP NUMBER 68

Cadets who have been Scouts at home have the opportunity of continuing their Scout activities here without interruption. The Scout troop is one of the most popular organizations on the campus. The action which Scouting affords appeals to the boy's impulse to be doing something. This year Troop 68, although a new troop, has attracted the attention of the whole council. Enough trees have been cut to construct a Scout cabin. This work will be brought to completion next fall. Scouting is definitely a part of Hargrave.

College Selection

Cadets interested in securing information as to what college to attend, or what career or vocation to choose, are advised to consult Capt. F. G. Piercy, who has ordered more than 200 colleges and university catalogs and other helpful materials. Capt. Piercy plans to hold conferences with the students and catalogs, and wishes to encourage all cadets interested to avail themselves to the fullest advantage.

JACK M. SCOGGINS *Vice-President*

ARTHUR F. LINDBERGH *Secretary*
ROY C. JOYCE *Treasurer*

The above cadets represent the general Y. M. C. A. organization of the entire corps and the five denominational groups within the general organization. The Y Cabinet is responsible for plans and programs which strengthen the spiritual life of the individual student and promote a closer relation between him and his church.

Included in the work and activities of this group is the promotion of Sunday School attendance; providing older cadets as teachers of Sunday School classes for younger boys; providing leaders for Junior School Vesper groups; conducting barracks prayer meetings; and promoting extension activities in social welfare and religious services.

MINISTERIAL STUDENTS

Walter T. Lea, Jr., John E. Hubbard, Spencer V. Inge, Captain D. W. Gray, Larry L. Burton, Jose A. Hawkins, James R. Pozek, Edward L. Morton.

HARGRAVE MINISTERIAL COUNCIL

The Hargrave Ministerial Council is composed of those students who have made definite decisions to study for the Christian ministry. In some instances young men have made this decision before entering Hargrave. However, a majority of our ministerial students reach that decision while under the influence of the school.

The Ministerial Council meets each week for discussions and studies relating to preparation for definite Christian service. The purpose of the organization as stated in its Constitution is "To promote better Christian fellowship among students for the ministry, to stimulate Christian ideals within the student body and to help prepare members of the organization for service in the Christian ministry."

Quill and Scroll is an international honorary society for high school journalists. Hargrave Military Academy is a chartered member. Individual students are selected into membership who meet the following requirements:

"Train up a child in the way he should go, and even when he is old he will not depart from it."

IMPORTANCE OF JUNIOR SCHOOL TRAINING

The modern American home frequently requires the service of either a boarding school or a school with a specialized program of training for 12 to 14 year-old boys. Junior school students at Hargrave are given every advantage of this program at the age when boys are most responsive to habit and character training. Their needs are being met by limiting the size of classes to an average of twelve to fifteen pupils, by providing continuous supervision of all activities, and by insuring close contact with faculty and staff members of excellent Christian character who supervise the complete training of these cadets. Evidence that this program has met with success is, in part, borne out by the fact that during the past session many former junior school boys were enrolled in the senior school.

MODERN JUNIOR SCHOOL BUILDING

The Hargrave junior school building is new and modern in every respect. It provides living quarters for fifty elementary school cadets (only two boys in a room), two masters, the housemother, and other faculty and staff members, and contains class rooms for the sixth through the eighth grades, reception rooms, and social and recreational facilities for this department. Each dormitory room is furnished with chairs, tables, single beds, clothes closets, and a lavatory.

JUNIOR SCHOOL FACULTY AND STAFF

HEADMASTER—The headmaster is responsible for the disciplinary training of these younger boys. We strive for strict military discipline administered in the spirit of kindness and understanding. The approach to the problems of each cadet is through friendly counseling by a man who lives with these younger boys.

TEACHERS—Throughout the history of this department the school has used special care in the selection of teachers who are prepared for boarding school grade work. These teachers supervise the night study of junior school boys and conduct afternoon school for those deficient in their studies.

HOUSEMOTHER—Parents need not suffer any uneasiness in sending their young sons to us. In addition to the competent Masters, who direct these boys, there is a kind-hearted and sympathetic Housemother. Her duty is to make life pleasant and home-like for them. She also cares for their clothing and mending, and is in a definite way a mother to the boys.

CLUBS AND ORGANIZATIONS

NON-COMMISSIONED OFFICERS CLUB—Twelve cadets in this department are each given ratings of corporals and sergeants and are trained for efficient leadership among junior school boys.

STUDENT SENATE—This organization is composed of five junior cadets who are selected to assist in promoting good citizenship in response to the regulations of the school.

GLEE CLUB—All junior students are encouraged to tryout for places in this organization which meets twice each week for practice.

LITERARY SOCIETY—The Junior Literary Society trains the grade school boys in elementary expression and platform appearance through dramatics, readings, declamations, and debate. All grade classes participate in this work.

RELIGIOUS ORGANIZATIONS—Cadets in this department attend Sunday School on the campus and morning worship services at Chatham churches. These cadets organize and conduct, under the supervision of older cadets, an evening vesper program for the Junior Department. Sunday School and vesper program literature is provided by the school. Each cadet is encouraged to participate in the lesson discussion and to take part in the vesper program.

to my roommate

For many yeazs
We've been pals,
And now we part
With snuffs and growls!

"I'll be down to
See you the 15th,
And probably end up
In the clink!"

"But, I'll never forget
That old seven,
And how you knocked them
Clean to heaven!"

May all your
Wishes And Wishes
Come true!
Little Mack
